EXPERIMENTAL WORKSHOP OFFERING: VARIETIES OF MIME

An experimental workshop will be offered under the auspices of the Drama Department of Gallaudet College in the spring of 1979. It will focus on traditional as well as modern varieties of mime. Students will study pantomime, sign-mime and visual vernacular.

The workshop will be led by Bernard Bragg, internationally renowned actor/director and mime.

Knowledge of sign language is not a prerequisite for this workshop, since mime is a universal language in its own right. The ultimate purpose of the workshop is twofold: to tap, develop and heighten the talents of the students and to enable them to form new individual or group creations utilizing these art forms.

Students wishing to enroll for this workshop may write to Bernard Bragg at the old Counseling Center, briefly stating reasons for wanting to participate.
